

Colonial Pipeline Company

Public Donation Request Form

Colonial Pipeline is committed to serving communities with which we share our pipeline. We are always looking to support worthy organizations that share in our mission of service. *Please fill out this form to request that Colonial Pipeline make a donation to your not-for-profit organization.* Your donation request will be reviewed by the donations committee to determine if your organization meets the criteria established by Colonial Pipeline. Please remember, although Colonial Pipeline recognizes that all causes are noble and important to our communities, we cannot approve all donations. However, we make the best effort we can to partner with, and support as many like-minded organizations as possible.
